VOL. XVIII. NO. 21

WRANGELL, ALASKA, THURSDAY, MAY 15, 1919

PRICE TEN CENTS

## GERMANY SAYS U.S. PEACE TERMS UNBELIEVABLE

*Charges That the Entente  
Is Asking for Things  
Impossible*

**"We Will Fight to the Uttermost Against Separation of Any German Territory" Says Proclamation.**

ZURICH—The European Press, a German news agency, today circulated the following interview with Brockdorff Rantzau, "The Peace terms are simply unbelievable because they ask impossible things. The Entente demands material guarantees and will not accept moral guarantees. This shows its distrust in us. We want an organized world in which Germany will have the same rights as other people have."

BERLIN—Fifteen thousand of the majority socialists made a demonstration in front of the Hotel Adlon yesterday crying, "Down with Wilson!" "Down with the Americans!" The tumult grew in front of American headquarters until 50 soldiers arrived and cleared the streets.

BERLIN—"We will fight to the uttermost against separation by violence of any German territory," Scheidemann declared in a proclamation forwarded to Danzig today.

LONDON—Large Italian forces have been landed at Zara and Sebenico in Dalmatia and are marching into the interior, fortifying mountain passes as they advance.

PARIS—A wireless message received here from Tchitcherin, the Bolshevik foreign minister and relayed by the foreign office at Berlin announces that the Bolsheviks refuse to cease hostilities as a condition of the provisioning of Russia by neutrals.

PARIS—Chancellor Renon, head of the Austrian peace delegation declared in an interview with a Basle correspondent that he intends to return to Vienna with a peace that will end the sufferings of his country. The hanging of the former kaiser or otherwise punishing him is proving a less simple matter than the majority of the responsibilities commission anticipated. No country has yet been found that is willing to assume the role of prosecutor.

PARIS—Because of their activities in Ireland, Frank P. Walsh, Edward E. Dunne, Michael F. Ryan, representatives of Irish societies in the United States who have been visiting Ireland will not be received by Lloyd George on their return to Paris nor will they be accorded any official or semi-official recognition.

The Glenora left last night on a hurried trip to Shakan. She will return tomorrow and leave again tomorrow night on her regular weekly trip to the West Coast.

T. J. Case has received word from his son, Oscar Case, stating that he had arrived in New York and hoped to be discharged in a few weeks. Oscar thinks it likely that he will receive his discharge in Nevada where he enlisted.

## GOVERNMENT SHIPMENT GOES OVERBOARD IN STORM NEAR RUPERT

ANYOX—A towing barge and the Baroda, both laden with Panama equipment for the Alaska railroad put into Prince Rupert yesterday. The barge had lost a great part of her load overboard in a storm off Cape St. James according to advices received by the Alaska Engineering Commission.

**The Seattle Sails**  
SEATTLE—The City of Seattle sailed at 10 o'clock Tuesday morning with 120 passengers. The following were booked for Wrangell: R. Rutherford, P. L. Neill, Dr. Edward Rice, Mrs. Rice, Master Rice, H. M. Tucker, Mrs. Tucker, J. H. Joslin.

## CABLE BRIEFS

SEATTLE—Ruth Garrison has been formally ordered committed to the insane ward at Walla Walla.

EVERETT—Five prisoners, including three who are facing deportation, broke jail this morning.

WASHINGTON—Senator Cummins was chosen unanimously for president pro tempore of the senate by organization conference of Republican senators.

ARCHANGEL—A Bolshevik gunboat was sunk on the Dwina river during an engagement between British river flotilla and land batteries and enemy fleet.

CHICAGO—Aerial delivery between Cleveland and Chicago started this morning. According to postal officials eight machines will be employed.

PARIS—Headed by Chancellor Brenner the Austrian delegation arrived at St. Germain en Laye at six o'clock last evening.

MONTAUK POINT, N. Y.—The navy dirigible C 5 left here today on a flight to St. Johns, Newfoundland, which may be followed, if coastal performance proves satisfactory, by an attempt to fly across the Atlantic.

SEATTLE—Negotiations are in progress in Seattle and San Francisco which contemplate tearing up the rails of the Solomon River railroad on the Seward peninsula and shipping them outside this summer.

WASHINGTON—Wives and mothers of American soldiers in Europe may join them after June 15 provided they agree to stay six months in Europe, so the war department has ruled.

PARIS—American troops will not participate in any offensive against Petrograd. Recent reports have been received from the French and British warship mobilizing at Helsingford preparatory to starting for Petrograd, that the Finnish forces are nearing the former capital.

Henry Scudder of the Bureau of Fisheries arrived from the south on the Princess Mary last Friday. Mr. Scudder recently received an honorable discharge from the army. He will be in Wrangell for the summer. Mr. Scudder is the proud parent of a son born on April 29. Mrs. Scudder and son will join him soon.

L. A. Ellison, president of the Union Bay Fisheries, and Mr. and Mrs. N. M. Tate of Union Bay are in town today.

## PRICE OF WHEAT TO BE REDUCED IMMEDIATELY

NEW YORK—The immediate reduction of the price of wheat reaching all down the line from producer to banker is believed assured according to a statement issued by Barnes, the wheat director, following a conference of the representatives of the grain industry.

## NAVIGATION ON STIKINE OPENS

**Hazel B No. 3 Makes First Trip to Telegraph Creek This Season**

The Hazel B No. 3 left Saturday evening on the first trip of the season to Telegraph Creek. She carried 12 passengers, 44 bags of mail, and over 10 tons of freight which included a quantity of perishables.

## THE VICTORY LOAN

**Wrangell Exceeded Her Quota by \$2,700**

Wrangell exceeded her quota of \$12,500 in the Victory Loan by \$2,700, making a total of \$15,200 subscribed with 92 subscribers.

There were no big interests represented. All subscriptions were from individuals, the greater part of whom had already subscribed heavily in previous loans. Six thousand dollars of the amount was paid in cash.

James C. Pilkington, who has been in military service in France during the past two and one half years, arrived in Wrangell on the Princess Mary last Friday. He left on the Hazel B No. 3 yesterday for Telegraph Creek where he was living at the time he enlisted.

## STILL NEED FOR WORKERS; KEEP WORKERS IN RESERVE

The following article taken from a recent issue of the Northwestern Division Red Cross Bulletin indicates that the refugee work, which will be discontinued during the summer months, will be resumed next fall:

Production work will be temporarily suspended for the summer months after the present allotments have been completed, but since the need for garments in all the devastated countries of Europe will be very urgent despite all the garments that the chapters will be able to produce, materials will be furnished free of charge to any of the chapters that wish to continue production work.

You are urged to enroll all chapter workers in a reserve force, subject to call in case of need next fall and winter or in case of emergency. Instructions as to the method of enrolling this reserve force will be sent you before the completion of the present work.

So far as practicable keep work rooms and work room equipment intact, but where the space must be given up on account of the expense, make arrangements to store a reasonable amount of equipment rather than to dispose of it as formerly suggested.

It is regretted that instructions regarding productions have had to be changed from time to time, but it should be understood that National Headquarters have based their instructions on called advices from the Red Cross Commissioner to Europe on account of the more careful study of existing conditions. It is hoped, therefore, that chapter officers and workers will take these changes as necessary results of changed conditions and needs, as they seem to grow out of actual necessities in the stricken countries.

Hackerman Thompson and Arthur McCarthy, employees of the Canadian Bureau of Mines, arrived from Vancouver on the Princess Mary last Friday. They left the next day on the Hazel B No. 3 for a trip into the Cassiar.

Mariano J. Cuaresmo, a Filipino who has been cooking on the Osprey, was brought to the hospital Sunday, with symptoms of typhoid.

The Ripley Fish company shipped 32 boxes of fish on the Evans Monday morning and two boxes on the Jefferson Monday afternoon.

J. H. Wheeler came over from Petersburg on the Evans Monday morning for a visit with his family.

Walter H. Blake, Dominion telegraph operator, arrived from Vancouver on the Princess Mary Friday. He left on the Hazel B No. 3 the next day for Telegraph Creek.

## Grigsby Speaks in Wrangell

Attorney General George Grigsby, candidate for Delegate to Congress to succeed the late Charles A. Sulzer, spoke in the Redmen's hall Sunday afternoon.

Mr. Grigsby reviewed the Wick-ersham-Sulzer contest, and read the platform adopted by the Democratic convention which nominated him.

In his speech Mr. Grigsby referred to the petition which was so industriously circulated a few weeks ago by Samuel Cunningham for a breakwater between Shustak Point and the mainland which would create a smooth harbor for the protection of fishing vessels. He believed that Federal aid for a project of this kind could be secured. However, in this connection he urged that Wrangell show its full voting strength at the Special Election next month. He said that when a matter of that kind comes before a committee at Washington one of the first things they do is to look up how many votes were cast at the last election, because in Congress the importance of an Alaskan town is generally judged by its voting strength. In closing his remarks on this subject he said: "Now if you people want that breakwater it is up to you to turn out and poll a full vote on June 2. I urge every qualified voter in the Wrangell precinct to vote at the Special election. If you do not want to vote for me scratch my name and vote for some one else, but vote."

## Sailors Entertained

The sailors aboard the torpedo boat destroyer No. 346 were the guests of the Physical Culture Club at St. Philip's gymnasium Monday evening. The order of the evening was basket ball, volleyball and boxing.

The affair was much appreciated by the sailors and the gymnasium will always have open house when they are in port.

Senator J. R. Heckman, and Mrs. Heckman were aboard the Admiral Evans the first of the week. They were returning to their home in Ketchikan from Juneau where Mr. Heckman has been attending the Territorial senate of which he is a member.

Wesley Miller who enlisted last year from Ketchikan was recently discharged from Camp Lewis. Mr. Miller lost no time in returning north. He will spend the present season fishing for the F. C. Barnes company at Lake Bay.

William Ware, manager of the Hudson's Bay store at Telegraph Creek arrived from Vancouver on the Princess Mary last Friday. He left the next day on the Hazel B No. 3 on its first trip up the Stikine this season. Mr. Ware has been south for several weeks. He went out from Telegraph Creek via Atlin and Skagway.

Peter Chernoff who has been working at Sawyer & Reynolds' logging camp near Pearl strait, between Juneau and Sitka, arrived on the Jefferson Monday, and expects to spend the season here following the fishing game. Mr. Chernoff was honorably discharged from the army two months ago.

Mrs. Clarence V. Boone arrived last Friday from Kelso, Wash., to join her husband who is skipper on the Irene Barnes, owned by the F. C. Barnes Co., of Lake Bay.

Mrs. L. Schott arrived from San Francisco on the Princess Mary last Friday.

## JOHN D. MCKINNON AND BRIDE HERE ON HONEYMOON

John D. McKinnon and bride arrived on the Princess Mary Friday from Wetaskwin, Alberta, where Mr. McKinnon has resided for several years, and where he was married on May 1.

Mr. McKinnon was born in Wrangell. His father, Duncan McKinnon, was formerly a merchant of this city. After his father's death, John McKinnon, who was then six years old, and his sister, Mary Folin, were taken to Scotland where they grew up. The sister is still in Scotland, having married there. At the age of 21 John McKinnon went to Canada where he has since resided. He visited Wrangell in 1914 and 1915.

After the United States declared war he registered as an American citizen with a United States consul in Alberta, giving Wrangell as his address. The consul sent his name to the local registration board, but he was not drawn when the Wrangell draft was made.

Mr. McKinnon has for some time been connected with the Wetaskwin branch of the Imperial Bank of Canada. Recently he received notice that he was to be transferred to the Vancouver branch of that institution. With many generations of Scotch ancestry back of him it is not to be wondered that he was unwilling to leave his sweetheart behind. The matter was satisfactorily settled, however, by a little ceremony which made it possible for the sweetheart to transfer also.

In order to give their honeymoon an additional touch of romance the young couple made a side trip to Alaska to visit Wrangell, the place of Mr. McKinnon's birth. While the couple were here the reporter noticed them promenading along McKinnon avenue which was named for Mr. McKinnon's father.

Mr. and Mrs. McKinnon sailed south on the Jefferson Tuesday. After a brief sojourn in Seattle they will go to Vancouver, their future home.

## Wolves Getting Bold

Never before have wolves been so bold in coming into town as this year. This is thought by some to indicate that deer are getting scarce on the island. Last week two of A. Lemieux's tame deer were destroyed by wolves. Two dogs were also killed by wolves in the yard of W. S. Binkley south of the sawmill. While Bert Tucker was chopping wood a few days ago several wolves came near him with as much assurance as if they were a group of friendly dogs known to all the neighbors in the vicinity. Mr. Tucker went into the house for his rifle expecting to have a little target practice, but the wolves seemed to realize that Bert was about to treat them as if they were Huns and so they made their get-away.

## Another Soldier Returns

James Lovett who received his discharge from the army at Ft. Seward last week arrived in Wrangell on the Jefferson Monday. Mr. Lovett has been at Camp Dodge, Iowa, and Camp Grant, Ill., the most of the time since his enlistment about a year ago. His many friends are glad to welcome him home again.

B. O. Benjamin arrived last Friday from Montana on a visit to his brother, Charles Benjamin.

**Get Double Service from Your Boots**

Did you know that Goodrich "Hi-Press" Boots are molded into one solid piece of rubber?

That, in part, accounts for the fact that this remarkable footwear gives you just about twice the service that comes with ordinary boots.

And the Goodrich rubber is tougher—won't crack, peel or split.

We have a boot for every service. The ankle-high Lehigh, the leather top Driver, the knee high Short or White Hip are some of the leaders.

Why not wear the best? They cost no more. You can tell them by the Red line 'Round the top. Sold by 40,000 dealers.

### A Memorial Day With a New Significance

In another column is a call for  
a meeting of citizens to take steps  
for a Memorial Day observance.

Not since the days of Lincoln  
has there been a time when it  
was so eminently fitting and  
proper that we pay suitable tribute  
to our soldier dead.

Today, sons of the North and  
sons of the South are returning  
home from across the sea, arm in  
arm, after a glorious victory for  
liberty and humanity. Yes, many  
are returning home, but thou-  
sands of other precious American  
boys are sleeping beneath the  
poppies in Flanders' fields.

It is this greatest of wars in  
the history of all ages which we  
have just passed through that  
gives the Memorial Day we are  
approaching a new and deeper  
significance.

Memorial Day has grown with  
the sweeping growth of Ameri-  
ca's destiny in the great world  
war. There has been a new and  
considerable addition to the list  
of America's immortals. And as  
we think of thousands of newly  
made American graves "Some-  
where in France" we understand  
as never before why a day of  
tribute to the nation's heroes  
should be set apart and observed  
each year with its essential so-  
lemnities.

Therefore, let us demonstrate  
our patriotism and Americanism  
by making the coming Memorial  
Day observance symbolic of the  
true spirit of the occasion.

#### Clean-Up Notice

Notice is hereby given that at  
a regular meeting of the Town  
Council held on Thursday, May 1,  
it was ordered that Saturday,  
May 17, be designated as cleanup  
day for the town of Wrangell.

Every person in Wrangell is  
urged to join in this civic under-  
taking, both as a precautionary  
measure, and as a means of beauti-  
fying the town.

All rubbish such as ashes, tin  
cans, bottles, and refuse of all  
kinds, should be removed or de-  
stroyed. The cooperation of the  
children is especially solicited.

The matter of cleaning up and  
beautifying our premises is one  
which should appeal to our civic  
pride, while the importance of a  
general cleanup as a sanitary  
measure cannot be overestimated.

Inasmuch as it is the unani-  
mous opinion of the council and  
the health officer that such a  
measure is imperative, the coun-  
cil hereby gives notice that if any  
person shall fail to clean up his  
premises on or before Saturday,  
May 17, the Town will have the  
neglected premises cleaned, and  
charge the owner for same.

J. W. PRITCHETT,  
Attest: Mayor.  
J. E. Worden, Clerk,

## America's Immortals

Most striking instances  
of gallantry for which  
the Distinguished Service  
Cross has been awarded

Military men of other countries  
were amazed at the fighting quali-  
ties of the soldiers from America—  
the land of peace. They were amazed  
at the spirit with which Pershing's  
fighters went into battle. Thousands  
of American soldiers won foreign  
decorations, as well as the Distin-  
guished Service Cross of their own  
country, in recognition of acts of  
supreme heroism or sublime self-  
sacrifice. Following are a few of  
the most notable cases of bravery on  
the part of American soldiers in ac-  
tion, selected by General Pershing's  
own staff as worthy of special com-  
mendation.

#### EMORY J. PIKE,

Lieutenant Colonel, D. M. G. O., 82nd  
Division.

Lieut. Col. Emory J. Pike (deceased)  
was decorated for conspicuous gal-  
lantry in action near Vandieres, France,  
September 15, 1918. Having gone for-  
ward to reconnoiter new machine gun  
positions, Colonel Pike offered his as-  
sistance in reorganizing advance in-  
fantry units which had become disor-  
ganized during a heavy artillery shell-  
ing. Colonel Pike succeeded in locat-  
ing only about 20 men, but with these  
he advanced and when later joined by  
several infantry platoons, rendered in-  
estimable service in establishing out-  
posts, encouraging all by his cheerfulness,  
in spite of the extreme danger of  
the situation. When a shell had  
wounded one of the men in the out-  
post, Colonel Pike immediately went  
to his aid, and was severely wounded  
himself when another shell burst in  
the same place. While waiting to be  
brought to the rear Colonel Pike con-  
tinued in command, still retaining his  
jocular manner of encouragement, di-  
recting the reorganization until the  
position could be held. The entire  
operation was carried on under terrific  
bombardment and the example of courage  
and devotion to duty as set by  
Colonel Pike, established the highest  
standard of morale and confidence to  
all under his charge. The wounds he  
received were the cause of his death.  
His daughter, Martha Agnes Pike, lives  
in Des Moines, Ia.

#### HAROLD I. JOHNSTON,

Private, First Class, Co. A, 356th  
Infantry.

Private Johnston was awarded the  
Distinguished Service Cross for con-  
spicuous gallantry, near Pouilly,  
France, November 9, 1918. When in-  
formation was desired as to the en-  
emy's position on the opposite side of  
the river Meuse, Private Johnston,  
with another soldier, volunteered with-  
out hesitation, and swam the river  
to reconnoiter the exact location of  
the enemy. He succeeded in reaching  
the opposite bank, despite the evident  
determination of the enemy to prevent  
a crossing. Having obtained the in-  
formation, he again entered the water  
for his return. This was accomplished  
after a severe struggle, which so ex-  
hausted him that he had to be as-  
sisted from the water, after which he  
rendered his report of the exploit. His  
mother, Mrs. Belle Renshaw, lives in  
Denver, Colo.

#### JAMES A. SHERET,

Sergeant, Company F, 108th  
Infantry.

Conspicuous gallantry in action near  
Ronsay, France, September 29, 1918,  
when he sold his life dearly, won the  
Distinguished Service Cross for Ser-  
geant Sheret. During the operations  
against the Hindenburg line this sol-  
dier displayed exceptional bravery in  
several single-handed attacks on en-  
emy positions. After rushing two hos-  
tile posts and killing the occupants  
with his revolver, Sergeant Sheret at-  
tacked four of the enemy in a machine  
gun position, killed one of them  
before he was himself surrounded  
killed by the other three. S.  
Sheret's mother lives at 23 Wes-  
street, Albion, N. Y.

#### BEDFORD B. LUNSFORD,

Corporal, Company M, 117th Infantry.

Corp. Lunsford (deceased) was dec-  
orated for extraordinary heroism in  
action near Bellecourt, France, Octo-  
ber 7, 1918. When the line was held  
up by enemy machine gun fire Corp.  
Lunsford strapped an automatic rifle  
to his shoulder and advanced in the  
face of machine gun fire. Firing as he  
went forward, he killed four of the  
enemy before he fell dead, riddled  
with bullets. Thomas Lunsford, his  
father, lives in Mount Vernon, Tenn.

#### NELS WOLD,

Private, Co. I, 138th Infantry.

Private Wold (deceased) was dec-  
orated for conspicuous gallantry in ac-  
tion near Cheppy, France, September  
26, 1918. Private Wold rendered most  
valiant service in aiding the advance  
of his company which had been held  
up by machine gun nests. He advanced  
with one other soldier and silenced the  
guns, bringing with him upon his re-

turn 11 prisoners. Later the same  
day he jumped from a trench, and  
rescued a comrade who was about to  
be shot by a German officer, killing  
the officer during the exploit. His actions  
were entirely voluntary, and it was  
while attempting to rush a fifth ma-  
chine gun nest that he was killed. The  
advance of his company was mainly  
due to his great courage and devotion  
to duty. His home address was Kelly  
Lake, Minn.

#### HARRY L. CAUSLAND,

Private, Company I, 357th Infantry.

Private Causland was decorated for  
conspicuous heroism in action near  
Bantreville, France, October 24, 1918.  
Private Causland was acting as am-  
munition carrier for a machine gun  
which was supporting a raid on the  
enemy by the infantry. While this gun  
was being operated from a shell hole  
its ammunition became exhausted and  
the corporal called back to the en-  
emy, who were in shell holes twenty  
five yards behind, to bring up more  
ammunition. Though the gun position  
was under heavy enemy fire, Private  
Causland called out, "I'll take it," and  
rushed forward with two boxes of am-  
munition. Just as he reached the en-  
emy position, with the ammunition he  
was killed instantly by a machine gun  
bullet. Private Causland's home was  
at Anncones, Wash.

#### HARRY J. DAVIS,

Corporal, Company D, 60th Infantry.

Corp. Davis received the Distin-  
guished Service Cross for extraordi-  
nary heroism in action at Cunel,  
France, October 14, 1918. While the  
advance of his platoon was being held  
up by deadly enfilading fire of the en-  
emy, Corp. Davis voluntarily rushed  
over open ground, through direct ma-  
chine gun fire, for a distance of over  
100 meters, and, with the aid of his  
bayonet, attacked the nest. He killed  
both the gunners, thereby silencing the  
fire, but, during the combat, he him-  
self was severely wounded. It was due  
to his prompt and fearless action that  
further advance of his platoon was  
made possible. Corp. Davis' home is  
in Philadelphia.

#### JOHN PRATT,

Corporal, Co. L, 166th Infantry.

Corporal Pratt was decorated for  
conspicuous gallantry in action with  
the enemy near Chevennes, France,  
November 7, 1918. Corporal Pratt was  
on duty as a runner at the headquar-  
ters of the advance battalion when the  
position was being heavily shelled by  
the enemy. Seeing two soldiers lying  
severely wounded two hundred yards  
away in an open field, he crawled out  
under intense fire, gave them first aid  
treatment and then dragged them, one  
at a time, back to the dressing station.  
His exceptional bravery enabled the  
two wounded men to secure immedi-  
ate medical attention and saved their  
lives. His home address is Toledo, O.

#### HARRY C. SESSIONS,

Second Lieutenant, Co. I, 372nd In-  
fantry.

Lieut. Sessions was awarded the  
Distinguished Service Cross for un-  
usual bravery in action near Bussey  
Farm, France. Although he was on  
duty in the rear, Lieut. Sessions joined  
his battalion and was directed by his  
battalion commander to locate open-  
ings through the enemy's wire and at-  
tack positions. He hastened to the  
front and cut a large opening through  
the wire in the face of terrific machine  
gun fire. Just as his task was com-  
pleted he was so severely wounded  
that he had to be carried from the  
field. His gallant act cleared the way  
for the rush that captured enemy posi-  
tions.

#### PHILIP C. KATZ,

Sergeant, Company C, 363d Infantry.

Sergt. Katz was decorated for con-  
spicuous gallantry in action near Ec-  
lisfontaine, France, September 26,  
1918. After his company had with-  
drawn for a distance of 200 yards on  
a line with the units on its flanks,  
Sergt. Katz learned that one of his  
comrades had been left wounded in  
an exposed position at the point from  
which the withdrawal had taken place.  
Voluntarily crossing an area swept by  
heavy machine gun fire, Sergt. Katz  
advanced to where the wounded sol-  
dier lay and carried him to safety. His  
mother, Mrs. Jennie Katz, lives in San  
Francisco.

#### ALBERT MEYER,

Private, 79th Company.

Private Meyer, who makes his home  
with his father, Gustave Meyer, 262  
West 127th street, New York City,  
won the Distinguished Service Cross  
for extraordinary heroism in action  
near Thiaucourt, France, September  
15, 1918. While on duty as stretcher  
bearer for his company, Private Meyer  
rushed into the open to rescue another  
soldier threatened with capture. In  
the face of a large force of advancing  
Germans, he killed two of the enemy  
and brought in the soldier to a place  
of safety.

#### Forged Art Work as Rodin's.

The French police arrested at As-  
sieres a man named Boyon de Chintus,  
at whose house they seized a large  
number of bronzes, alleged to be false-  
ly inscribed with the name of Rodin.  
Two metal founders and an Italian  
sculptor of repute were also arrested.  
The action of the authorities arose out  
of information furnished by M. Bene-  
dite, the curator of the Luxembourg  
and Rodin museums, who reported the  
sale of numerous counterfeit Rodins,  
of which one lot alone was bought by  
a dealer for \$6,000.

## CLEAN UP IS WATCHWORD

Stroller White of the Douglas Island News has the following to say regarding the annual clean-up:

Now is the winter of our discontent made—the reader probably knows the rest of it. Anyway, when this part of the country was locked in the embrace of Old Bory there was some excuse for dumping ashes and tin cans any place to get rid of them.

But now that winter's gloom has been dispelled by glad some spring, there is no excuse for those winter ashes and tin cans being permitted to repose in all their offensiveness where they were dumped last winter. So said the city council Monday night, and May 15 was designated as the date when all debris that is offensive to the eye, repellant to the nostrils and objectionable to refined sensibilities must be relegated to obscurity—cleared away and made as though it had not been.

Neither pray I for these alone, but for them also which shall believe on Me through their word; That they may all be as one; as Thou Father, art in Me, and I in Thee, that they also may be one in us: That the world may believe that Thou hast sent Me." ## TELEGRAPH CREEK NOTES

The weather during the past winter has been unusually mild and the fur catch has been very light.

S. Brooke of Kamloops, B. C., who has been with the Hudson's Bay store during the winter, left on the Hazel B No. 3 Monday for Winnipeg.

Frank, the popular chef, barber, film developer, money lender and broker, will leave soon on a trip to his old home in Japan.

Ira Day has been appointed superintendent of roads succeeding George Cox.

J. Frank Callbreath has bought the complete pack train of the Hyland estate.

Mrs. Thorman and little son, Robbie, will leave in a few days for a visit with friends in Edmonton. Her husband, the Rev. Fred Thorman, is in charge of the Episcopal mission at Telegraph Creek.

W. G. Mennie is now local manager of the Hyland estate. He succeeded Robert Hyland who had been manager since the business went into liquidation more than a year ago. During the 12 months preceding the time that Mr. Mennie took his present position he had been employed in the Hyland store as bookkeeper. Before coming to Telegraph Creek he was in charge of the Hudson's Bay trading post at Babin, near Hazelton, B. C.

Mrs. W. G. Mennie and children arrived Monday on the Hazel B No. 3 to join Mr. Mennie.

It is reported that Red Top and the Princess May will get up a celebration next month.

During the past few weeks there has been considerable rivalry among fur buyers. R. E. Goldberg left this morning on the Hazel B No. 3 for the Iskut with Charles Olson and a canoe. Mr. Goldberg anticipates that other fur buyers will be aboard the Hazel B on her return from Telegraph Creek. It is his plan to go as far as the Iskut and come back down the river in a canoe buying up what fur he can along the way before the Hazel B comes down.
